TWO HAWAIIAN QUINTETS ARE PLAYING IN COLORADO

(Special Correspondence.)

DENVER, June 9.—Denver has en-
joyed two Hawaiian quintets during
the past week beginning May 30. One
was headed by Kekua and came here
from Chicago, the other headed by J.
S. Ellis came in from the Pacific coast.
Both quintets are playing on the Con-
solidated-Sullivan vaudeville circuit. Ellis
was at the Novelty for two weeks
with his four companions and a girl.
Two of his men he picked up in Salt
Lake City.

The quintet boys received a great
reception in the city and were ap-
plauded liberally at every performance.
It doesn't seem to me though that
they are doing much good as an ad-
vertisement for Hawaii however. They
have but one ukulele and the rest are
guitars and the evening I heard the
Ellis quintet they played but two Ha-
waiian songs. The boys all had fine
voices. I finally induced Ellis to play
a hula for old time's sake and as an
enore and it made a better hit with
the audience than anything else he
played. I told him afterwards that if
they would stick to Hawaiian numbers
they would make a bigger hit than
with anything else. He didn't think so
though and said that the objection to
the hulas was that they were all the
same thing, just a few bars of catchy
music and then repeat. It may be
true but Tomi Tomi certainly made a
hit. The girl danced the hula with
her back to the audience but she was
given half a dozen encores. Ellis told
me that they put on a hula at Keith's
in Boston and the police cleared the
house. He is well satisfied with the
result of the trip. He and his little
troupe stay at the best hotels and
seem to be making money. Chas.
Clark's son is with the Ellis quintet,
the other boys are from Salt Lake. I
don't know where they got the girl—
she may be a Hawaiian but she ap-
peared in gypsy costume.

The following "press agent notice"
of one of the quintets appears in the
Denver Post:

To give up home, family, friends,
riches, high honors in one's native
land, and even give up one's own coun-
try, surely there can be no greater
sacrifice than this, yet there is in Den-
ver today a young man who gave up
all these of his own free will to become
a musician and travel in a strange
land with only four youths of his na-
tive town as companions.

K. Kaluani, whose father, because of
his high position in the affairs of the
islands before they were annexed by
the United States, now exercises great
influence in Hawaii, was the best per-
former on a guitar in a land where
even children are experts on all forms
of stringed instruments, but all his
skill served only as an accompaniment
for his beautiful voice. One evening
the leader of a band of strolling musi-
cians heard him and persuaded him to
sing with them, and Kaluani became
infatuated with their life and the
haunting melodies they sang. Finally
there came a time when a big vaude-
ville manager in the states heard the
quintet and persuaded them to leave
the islands. Young Kaluani's father
was heartbroken to see his son give
up his brilliant prospects, and offered
him a fortune in his own name and
any honor in his power to remain at
home. But the boy's heart was set on
becoming a great musician, and in
spite of pleadings and commands he
set sail for San Francisco.

The quintet has sung to thousands on
the Coast, and has finally started on
a tour of America, appearing at the
Majestic theater in Denver this week.
The Hawaiians sing only their national
airs, playing their own accompaniment
on stringed instruments. Their manner

of playing differs widely from that of
the ordinary performer, a guitar being
held flat before them like a zither.

PLAIN MANTELPIECE FOR MARK TWAIN

The Promotion Committee has de-
cided not to accept any of the plans
for an elaborate mantelpiece for Mark
Twain's Connecticut house, but to
adopt a plain mantelpiece. In the
letter sent to one of those who sub-
mitted designs it is stated: "The com-
mittee, at their meeting yesterday, de-
cided in favor of a plain mantelpiece,
though greatly admiring the designs
submitted by you, for which reason I
suggest that you do not go to any
further trouble in the making of trac-
ings or blue-prints."

WOMEN'S WOES

HONOLULU WOMEN ARE FINDING
RELIEF AT LAST.

It does seem that women have more
than a fair share of the aches and
pains that afflict humanity; they must
"keep up," must attend to duties in
spite of constantly aching backs, or
headaches, dizzy spells, bearing-down
pains; they must stoop over, when to
stoop means torture. They must walk
and bend and work with racking pains
and many aches from kidney ills. Kid-
neys cause more suffering than any
other organ of the body. Keep the
kidneys well and health is easily main-
tained. Read of a remedy for kidneys
only that helps and cures the kidneys
and is endorsed by people you know.

Mrs. Emma Vieira, of King street,
Honolulu, says: "For three or four
years I had the misfortune to be af-
flicted with an aching back. The pain
and discomfort this entailed on me can
be better imagined than described. I
have two children, and it was of course
difficult for me to attend to them
while oppressed with suffering. The
way in which I found relief eventually
was by using Doan's Backache Kidney
Pills, procured at the Hollister Drug
Co.'s store. They did me a large
amount of good, as I now testify. I
should certainly recommend those who
have backache or any other form of
kidney trouble to try Doan's Backache
Kidney Pills."

Doan's Backache Kidney Pills are
for sale by all dealers. Price 50 cents
per box (six boxes \$2.50). Mailed on
receipt of price by the Hollister Drug
Co., Ltd., Honolulu, wholesale agents
for the Hawaiian Islands.

ART THEATER.

The arrangement of the seats in the
new Art Theater is such that perfect
comfort and an unobstructed view of
the screen is to be had without craning
the neck. The illustrated songs are a
feature at this place, and the piano
playing has been much enjoyed. The
pictures are changed twice each week.
There is no let up to the crowds at-
tending this theater, though the place
has not been completed. When the car-
penters get out the electricians will
take charge and install two hundred
lights. The admission will continue at
10 cents.

In Matters

of vital importance, such as the
examination of the eyes and the
purchase of glasses, it is a com-
fort to know that you are plac-
ing your business where you can
also place your confidence.
